George James Beddie No services

KERRVILLE — George James Beddie, 90, of Kerrville, passed away Thursday, March 24, 2011. He joined his wife and the love of his life, Mae Beddie, who passed away 11 days earlier.

He was born March 30, 1920, in Morrisville, Vt., to William and Margaret Beddie.

George is survived by three children, George James Beddie Jr. and wife, Carol, of Southgate, Ky., John William Beddie and wife, Donna, of Wichita, Kan., and Judie Mae Smelser and husband, Robert, of Kerrville. George is survived by two grandchildren, James Paul Beddie and wife, Reiko, of Tokyo, Japan, and Julie Murphy of Boerne, Texas; as well as four greatgrandchildren, Tadashi Beddie, Tomo Beddie, Reisa Beddie and Riley Murphy.

George served his country in the U.S. Navy during World War II, stationed in the Marshall Islands. He retired from Hughes Aircraft

5.62

Company in Southern California after 24 years. Following retirement, he and Mae traveled thousands of miles around the United States and Canada.

They moved to Kerrville in 2003 to be closer to family. They loved the Hill Country and the wonderful people who live here.

Mae and George were members of the First Presbyterian Church

# **Greystone hosts special visitor** US Air Force Academy admissions director to speak to public tonight

Col. Carolyn Benyshek, U.S. Air Force, the admissions director of the Air Force Academy at Colorado Springs, Colo., will visit Greystone Prep School at Schreiner University today and Wednesday. In addition to visiting Greystone

and learning more about its one-year program, the colonel will address the community about the admissions process for the Air Force Academy for those students seeking to serve their country as academy-trained officers. The presentation will be at the Cailloux Center a 7:30 tonight. The event is hosted by Greystone and is open to the public.

"This is a tremendous opportunity for the young people of the Hill Country to find out more about the Air Force Academy and the opportunities for serving our country as an Air Force officer," said retired U.S. Air Force Col. Bill Crum of Hunt, who serves as chairman of the Greystone board of directors, "It's an opportunity for high school students — and their parents — to get their questions answered by representatives direct from the Academy." Also on the docket to speak is retired Air Force Lt. Gen. Jay Kelley, president of the Falcon Foundation. Although a separate organization, the foundation works closely with Air Force Academy and provides scholarships to private preparatory schools for motivated young people seeking admission to Air Force Academy and a career in the Air Force.

"While this is an Air Force presentation, it is also an ideal time for all students thinking about applying for an appointment to any of the five federal service academies to attend and begin learning the application process," said retired U.S. Navy Cmdr. Dave Bailey, executive director of Greystone.

Light refreshments will be offered following the presentation and Q&A period.

For information, contact Bvest@ GreystonePrepSchool.org or 896-6530. Seating is limited. RSVPs are encouraged.

Greystone at Schreiner University combines intense academy preparation with a university education for high school graduates committed to earning their appointments to one of the five Federal Service Academies.
